Human Resource Risk Management & Best Practices

Managing employee risk is an ever changing, constant challenge and is a direct correlation to your profitability. Monthly education and networking series, facilitated by an employment law attorney of the ASAC Attorney's Council.

Thursday, March 20, 2014
7:30—9:00 a.m.

Moye|White

Presented by
ELIZABETH H. GETCHES

South Metro Denver Chamber
2154 East Commons Avenue, Suite 342
Centennial, CO 80122

As a trial lawyer, Liza has successfully handled a variety of employment disputes including discrimination, sexual harassment, retaliation, hostile work environment, wrongful discharge, wage and hour and breach of contract claims. As chair of the firm's Employment Group, Liza advises clients regarding covenants not to compete, protection of trade secrets, wage and hour compliance and employee classification and hiring practices as well as reductions in force and terminations.

Background Checks and Drug Screening

Hear from Liza Getches, Attorney with Moye White and chair of the firm's Employment Group. Liza is the 'go to' person for background checks and drug screening processes and policies. Liza was featured on Channel 7 News on December 31, 2013 regarding marijuana and the work place.
