## ASAC

The American Subcontractors Association of Colorado (ASAC) will continue to be recognized as the leading association fostering a collaborative business environment in the construction industry. Membership, including professional constructors, suppliers, and service providers, will work together to enhance and raise the standards in the industry.

ASAC membership is organizational versus individual. Your membership applies to your entire company. There is no limit to how many of your employees become active participants in the association.

## ADVOCACY

Partnership Coalition is a committee that delivers 'big picture' advocacy on behalf of construction subcontractors, its suppliers and partners.

Partnership Coalition consists of the partners that contribute to, support and fund the mission and purpose of the Committee as well as the Committee team that facilitate the partnerships

Advocacy at every level of government and before state and local municipalities.

ASAC protecting the rights of subcontractors and the construction industry and committed to fair and equitable public policy reform.

## EDUCATION

Setting a new and elite standard for management training and advanced business knowledge in the construction industry.

**Business Practice Interchange. It's easy to get smart.** A forum for the exchange of business information among members.

**Member Business Breakfasts.** An opportunity to become better acquainted with the premium general contractors in Colorado and hear from industry experts.

**Business Best Practices. Learn from the experts, hear from the pros that give you the answers you need.** This series is offered in combination with CBI and is an elite networking & education event.

**ASAC Annual Law Summit.** Bringing members the legal resources to empower business owners to grow and protect their business.

**Contract Study. Be your own best advocate in contract negotiations.** Contract study is facilitated by a prestigious construction law attorney selected from the ASAC Attorney's Council.

**Website. Information when you need it & how you need it.** ASAC website and member only resources. Includes Member Directory, Resources, Workforce Development & Advocacy.

## RISK MANAGEMENT

The ASAC Health & Safety Program delivers behavior based safety training, education and resources that creates a lifestyle of wellness on and off the job.

**Seasonal Safety Series.** Digital publication covering safety policies, procedures and training topics. Ready for use in training and policy development.

**Self Safety Assessment.** Member resource that gives business the opportunity to evaluate and improve their safety program, reward top performers and more.

**ASAC Annual Health & Safety Summit.** A day long event presenting the best of the best in safety information, resources and benefits.

**ASAC Annual Excellence in Safety Awards.** Recognizing top performing ASAC Member companies and individuals.

**ASAC Members Only Health & Safety Program. The very best risk management services, support and resources delivered to ASAC members.**
