ASAC Business Trades Advocacy Committee/BTAC, through its Community Partnership Council supports local charities through outreach, fundraising and support.

On Tuesday, June 3, 2014 ASAC sported their Rockies T Shirts and turned out in support of the Littleton Optimists Club in their annual Rockies Day that raises funds for the organization. ASAC Team Members handed out MLB All Star Ballots and excel Energy survey cards.

What the handouts lacked in pizzaz, the ASAC Team more than made up for in enthusiasm. Baseball fans who entered through the main gate were greeted by:

***Nick Williams**, ASAC Chair Health & Safety Committee/Absolute Caulking & Waterproofing, Inc.*

***Chris Barnes**, ASAC Chair BTAC/Travelers Insurance*

***Dani Nicol**, Chair ASAC Industry Partnership Council/Diamond Excavating, Inc.*

***Pete Scifo**, Chair ASAC Education Committee/OBS Consultants LLC*

***Debra Scifo**, Executive Director ASAC*

Thank you ASAC Team . . . Great Day!

How many of these are there . . . We need a system!

Notice how they've put us in a play pen.
What does that mean?
